Has proof of Pfizer COVID-19 vaccination.

## Notable Achievements and Projects at Southmoore High School

- Oklahoma Secondary School Association One Act Competition two-year winner of Regional Best Tech Award
- Produced a fiscal plan to replace, remodel, and improve current auditorium equipment through sustainable revenue at no cost to the district.
- Networked with companies to bring in an estimated \$27,187.50 of rental revenue.
- Completed overhaul of technical paperwork including contracts, technical packets, and documented lighting and sound networks.
- Maintained proper documentation of all repairs and replacements.
- Created accurate drafting files of facility including 3D model.
- Oversaw the replacement of \$20,000 lighting upgrade, \$40,000 video equipment upgrade, and a \$10,000 lobby upgrade.
- Current projects include working with local production companies to replace the architectural lighting system (estimated \$100,000 upgrade) and a \$800,000 rigging equipment remodel.
- In process of working toward ETCP Theatre Rigging certification through school district.
